0.00 – 0.02 Perfect, as always!

0.02 – 0.08 I thought it was super fun. I couldn't stop laughing. I can't believe the talent of that man.

0.08 – 0.14 I dunno he's just really clever. Like it's all like really thought through. And you might not see where it's going but you get it at the end.

0.14 – 0.16 Funny! Funny! Funny! 60 minutes of fun! Thank you!

0.16 – 0.45 I've just been to watch Kieran Hodgson's Big In Scotland with my aunt and our friends, Sue and Sue. And I've just dropped my aunt and the Sues at a nearby pizza restaurant where they are already talking about how alive they are with what a wonderful and joyful and life affirming and silly show it was. Anyone watching this, must also follow our lead and watch Kieran's show. And then ideally discuss it also at a nearby pizza restaurant.

0.45 – 0.56 It's a fantastic show, very funny. Um, full of heart and really sort of about belonging in a new place, about personal growth.

0.56 – 1.00 Loads of accents, really funny he's...he's top notch!

1.00 – 1.12 If you're a fan of Kieran's shows, of course you're going to love it. But this one is so special and so personal and so gorgeous and, of course filmed with amazing facts and voices and characters, but also so much heart.

1.12 – 1.19 Really original, but also at the same time original but have made me think of things that have happened in my life.

1.19 – 1.35 As a woman from Glasgow/Paisley. Absolutely loved it! Your accent. Your kind of understanding of us which is spot on. The most humble Englishman ever. Loved it!
